

2018 CAMP SCHOLARSHIP APPLICATION

DISCOVERY WORLD SCIENCE + TECHNOLOGY CENTER

Discovery World is a 501(c)(3) nonprofit science and technology center committed to providing fun and educational experiences through interactive exhibits and educational programs for families and students. We generate excitement for Science, Technology, Engineering, and Math education and careers in the minds of children, even before they head to high school and beyond.

Important note regarding the process:

There are a limited number of scholarships available for the 2018 camp season. Due to this, scholarships are available on a first-come, first-serve basis. **All completed scholarship applications and required documents can be sent via e-mail to scholarships@discoveryworld.org or sent to Discovery World Education, 500 N. Harbor Dr., Milwaukee, WI 53202.**

How much will the scholarship cover?

Scholarships will cover, at most, 80% of the camp tuition fee. You are responsible for paying the remaining camp balance not covered by the scholarship. Please note, scholarships **do not** cover additional material fees, transportation costs, or any extended care session fees. Scholarships are not available for Learn to Sail camps or any single-day camps (July 2nd and 3rd).

How many weeks of camp can I apply for?

In order to make sure our funding can reach as many families as possible, we will allocate no more than two, 5-Day camps per child. You can list up to four (4) preferred camps that your child would like to attend and, if approved and/or if funds allow, you will be awarded up to two (2) camps based on availability.

Can I apply for more than one child?

Yes! Please submit one application (front and back) per child. One copy of acceptable income documentation is suitable for multiple children in the family. For examples of acceptable income documentation, please see box #3 on the general information page of the application.

What are acceptable forms of income documentation?

For examples of acceptable income documentation, please see box #3 on the general information page of the application. Please black out any sensitive personal information (for example, social security numbers or bank account numbers, etc.) if you are submitting tax returns. All information submitted as part of the application process will be kept confidential.

How/when will I be notified about my scholarship?

Applications will be accepted beginning February 1st. All applicants will be notified within three (3) weeks of submission. All scholarship details will be sent via e-mail.

My application has been accepted. Now what?

If you are accepted for the scholarship, you will be required to pay the remaining balance of the camp, and, if applicable, any additional materials fee. You will also need to complete a Camp Emergency Contact Form. This must be done over the phone with the Reservations Department at 414-765-8625. Your reserved summer camp spot will be held for two weeks after you receive a scholarship acceptance e-mail. You must submit payment and Camp Emergency Contact forms within two weeks, otherwise the scholarship will be forfeit and your place will no longer be held.
