

2019 Corporate Partners Program

As a nonprofit, 501(c)(3) organization that does not receive government subsidies, Discovery World fulfills its mission based on a combination of earned and contributed revenue. We are grateful for the critical, sustaining revenue and donations we receive from individuals, corporations, and foundations annually, and in appreciation we offer the following Discovery World Corporate Partners membership discount rates to employees and foundation directors or trustees. Eligible individuals may purchase a Discovery World membership for themselves or as a gift for someone else once annually. Memberships must be purchased in-person at Discovery World's Membership or Admissions Desk.
