

UPDATE: Coronavirus and Our Valued Members

As we navigate through this uncertain time due to the Coronavirus (COVID-19) impacting all of our lives, we are trying to determine how to best serve our members, while also trying to maintain financial stability.

For the immediate future, all Discovery World memberships that are due to expire will remain active. Once we have a better understanding of how the situation will further impact Discovery World and our members, we will reach out to you with updated information on the status of your membership, with an invitation to check your email for more details. If we do not currently have your email, please send a message to membership@discoveryworld.org with "Update Email" in the subject line.

We understand and appreciate that our members are one of our most valuable resources, and truly thank you for choosing to be a part of Discovery World. Your membership continues to support our current situation of mandatory facility personnel, building upkeep, the care of the animals in the Reiman Aquarium, the cleaning/sanitization of the building, and other essential needs.

In addition, during Discovery World's temporary closure, we want to be able to continue to engage our members, and invite you to continue to visit our website, [YouTube](#), [Facebook](#), [Twitter](#), and [Instagram](#) where we'll be sharing fun ideas to do at home through our [Discovery World @ Home](#) program, and a whole lot more.

We wish you and your family safety and health.

Discovery World
