

Upcycled Art Figurine

minutes

difficulty

Tools & Materials:

- Upcycled Materials:
 - Cereal or snack boxes
 - Egg cartons
 - String / Wire
 - Bubble wrap, etc.
- Scissors
- Tape or glue

Instructions:

Have you ever made anything in 3-D? Now is the perfect time to gather some materials from around your house and build a figurine from the ground up! What kind of figurine would you create? An animal? A robot? An alien? It's up to you!

Make a sketch and start your build. Make sure to give it a stable base if you want your figurine to stand upright.
